Additional information

Based on the OECD Common Reporting Standard ("CRS"), Luxembourg's tax authorities require the Bank, as data controller, to collect and report certain information about an Account Holder's tax residency status.

- To enable the Bank to comply with its obligation to report to the relevant tax authorities, you are required to specify the country (or countries, if any) of residence for tax purposes of the person identified as the holder of a Financial Account. On this form this person is referred to as the Account Holder. The Account Holders are the persons entitled to the income and/or assets associated with a Financial Account.
- Please note if the tax residency of an Account holder is located outside Luxembourg in a Reportable Jurisdiction, the Bank is legally bound to report the relevant information stated in the present form to the Luxembourg's tax authorities. They will in turn report the data to the tax authorities of each relevant Reportable Jurisdiction.

Please note:

- For joint or multiple Account Holders, please complete a separate form for each Account Holder.
- Do not use this form if the Account Holder is an Entity. Instead you should complete the "Entity tax residency self-certification" form.
- If you are a US citizen, US taxpayer or have other connections with the US, you may be a US Person under US Internal Revenue Service ("IRS") regulations and if so you should also complete an IRS Form W-9.

Glossary

These definitions are contained within the OECD CRS for Automatic Exchange of Financial Account Information and its associated commentaries. The texts are available at the following address: http://www.oecd.org.

If you have any questions about these definitions or require further details about this form then please contact your tax advisor or local tax authority.

Account Holder

The term *Account Holder* means the person listed or identified as the holder of a *Financial Account*. A person, other than a *Financial Institution*, holding a *Financial Account* for the benefit of another person as an agent, a custodian, a nominee, a signatory, an investment advisor, an intermediary, or as a legal guardian, is not treated as the *Account Holder*. In these circumstances that other person is the *Account Holder*. For example in the case of a parent/child relationship where the parent is acting as a legal guardian, the child is considered as the *Account Holder*. With respect to a jointly held account, each joint holder is treated as an *Account Holder*.

Entity

The term *Entity* means a legal person or a legal arrangement, such as a corporation, organisation, partnership trust or foundation.

Financial Account

A Financial Account is an account maintained by a Financial Institution and includes:

- Depository Accounts;
- Custodial Accounts;
- Equity and debt interest in certain Financial Institutions;
- Cash Value Insurance Contracts; and
- Annuity Contracts.

Financial Institution

The term *Financial Institution* means a Custodial Institution, a Depository Institution, an Investment Entity, or a Specified Insurance Company.

A Participating Jurisdiction Financial Institution means (i) any Financial Institution that is tax resident in a Participating Jurisdiction, but excludes any branch of that Financial Institution that is located outside of that jurisdiction, and (ii) any branch of a Financial Institution that is not tax resident in a Participating Jurisdiction, if that branch is located in such Participating Jurisdiction.

Please see the relevant Tax Regulations and the CRS for further classification definitions that apply to *Financial Institutions*.

Participating Jurisdiction

A Participating Jurisdiction means:

- a) a Member State of the European Union;
- b) a jurisdiction with which Luxembourg has signed an Intergovernmental agreement pursuant to which it will provide the information required on the Automatic Exchange of Financial Account Information set out in the Common Reporting Standard.

Reportable Jurisdiction

A Reportable Jurisdiction means:

- a) a Member State of the European Union;
- b) any other jurisdiction with which an Intergovernmental agreement is in place pursuant to which Luxembourg will communicate information regarding *Financial Accounts*.

Taxpayer Identification Number or TIN (including "functional equivalent")

The term *TIN* means *Taxpayer Identification Number* or a functional equivalent in the absence of a *TIN*. A *TIN* is a unique combination of letters and/or numbers assigned by a jurisdiction to an individual or an *Entity* and used to identify the individual or *Entity* for tax laws' purposes of such jurisdiction. Further details concerning *TINs* can be found at the following link: http://www.oecd.org.

Some jurisdictions do not issue a *TIN*. However, these jurisdictions often use some other high integrity number with an equivalent level of identification (a "functional equivalent"). Examples of that type of number include, for individuals, a social security/insurance number, citizen/personal identification number, and resident registration number. Based on the information available on the a.m. website, in **Belgium**, the *TIN* corresponds to the "Numéro National" (NN – 11 digits) which can be found on the official identity documents which are the Identity card and the Social Security card. For foreigners, resident in Belgium, the number can be found on the residence permit or the car's registration certificate. In **Germany**, the *TIN* corresponds to the "steuerliche Identifikationsnummer" (11 digits). In **France**, strictly speaking, a *TIN* does not exist. The number to be used as a *TIN* is the tax number "Numéro Fiscal de référence" (13 digits) which can be found on the tax declarations. In **Luxembourg**, strictly speaking, a *TIN* does not exist. The number to be used as a *TIN* is the Social Security number (13 digits).

U.S. Person

The term *U.S. Person* means a U.S. citizen or resident individual, a partnership or a corporation organized in the United States or under the laws of the United States or any States thereof, a trust if (a) a court within the United States would have authority under applicable law to render orders or judgements concerning substantially all issues regarding administration of the trust, and (b) one or more *U.S. Persons* have the authority to control all substantial decisions of the trust, or an estate of a decedent that is a citizen or resident of the United States. This definition shall be interpreted in accordance with the US Internal Revenue Code.
